

Volunteers Needed by SCC

1. Media Hub Coordinator

Responsibilities would be to meet and greet clients, introduce them to the technology in the room, organise catering as needed, then clean up at the end of session. Background in teaching, training or IT preferable.

Marketing of the **Multi Media Hub** would also be an active aspect of this role. ACFI funding could be used to utilise this space as a training facility for English classes, fit for work sessions etc. This would be targeted to those who have left school but are unemployed (10 week courses)

2. Stadium Coordinator

To set up equipment, stage, and run the electronic timetable for the stadium

3. Playgroup Volunteers

These volunteers don't need official qualifications in ELC, just a love of and interest in early learning. Would need Working With Children Checks.

4. Dementia Cafe Volunteers

Setting up and running two hour sessions for dementia clients on a rotating theme basis. Morning and afternoon shifts on the same day the goal.

5. Admin Volunteer

To aid in the transition of all communication at the centre to be paperless.

The above roles would start as Volunteer positions until such time as they have proved themselves worthwhile to the centre, they would then transition to employed positions.
