Dear Margaret

Re: Rotary Club of Sorrento donation to the Caroline Chisholm Education Foundation

On behalf of the Caroline Chisholm Education Foundation please accept our sincere thanks for the generous and continued support that you have provided. Your donation of \$9,000 enables students on the Mornington Peninsula to complete training that may not have been available to them. For this, the scholarship recipients are extremely thankful.

Your generosity will help prospective students gain a vocational education, giving them valuable employability skills and self-confidence. Thank you for making a difference.

As you may already be aware, 100% of your donation is allocated to the scholarship fund SMP Connect (Mornington Peninsula students) as Chisholm Institute provides the resources, as their ongoing contribution, to manage administration for the CCEF.

Again, thank you for your support and please do not hesitate to contact us should you have any questions about your donation or the Foundation.

We are extremely grateful for your contributions and your continued support.

Yours sincerely
