

Dear Margaret,

On behalf of the Caroline Chisholm Education Foundation it gives me great pleasure to once again thank the President and the Club Members for this very generous offer.

This financial support will be allocated to scholarships for potential students who , having made the choice to undertake further studies , would be unable to enrol for these studies without financial assistance.

As you may be aware the awarding of scholarships for educational studies is very often a life changing experience for the student and in some cases the whole family.

We are very proud of the number of scholarships we are able award each year – some 360 last year – and are very respectful of organisations like the Rotary Club of Sorrento who through their community and hard work make generous offers to the Foundation.

It is also pleasing to report that every dollar we receive from such offers and fundraising events is allocated 100% to the scholarship fund as all the administration and back-office costs are paid by Chisholm Institute.

The Foundation is very privileged and thankful to have Ian Predl, one of our long serving Trustees, who devotes much time is building on the strong relationships with organisations like yours.

Thank you all once again.

Regards
David
